[Learning The Benefits Of Having Virtual Call Center](#)

March 17th, 2010



Virtual call center refers to those customer support units where the agents primarily function from a geographically dispersed location. Rather than operating from a permanent organization, the employees of a virtual center can be situated in few groups. The virtual call centers offer a range of benefits. This article highlights on these benefits.

The very first [...]

[Is there really a economic growth in the Philippines?](#)

March 17th, 2010

president Gloria Macapagal Arroyo the president of the republic of the Philippines has been involved in scandals (ZTE deal and most recent overspending of Philippine money in dinner in New York.)

[Beneficial Software Application Services For Your Businesses](#)

March 16th, 2010



Software is the brain behind every computer related application. Websites have now become more interactive and social networking has made communication very easy. All this has been possible by software application services, which are developed for the mere purpose of bringing innovation and high level of efficiency. Competition in today's online market is cut-throat. Thus, [...]

[Specific information regarding economic effects of martial law under Ferdinand Marcos?](#)

March 16th, 2010

Any websites or books, newspaper articles concerning martial law under Philippine president/dictator Ferdinand Marcos? Specifically, the economic state of the Philippines during martial rule.

Im just having a hard time finding books on it. I know the economy of the Philippines improved, but need more specifics. Just need either specific websites or names [...]

[HEY JOE!](#)

March 16th, 2010



What is it like for an American to be retired and living in the Philippines? Hey Joe.





If you have not been to the Philippines but always wanted to go, it is a wonderful place to go. I love the Philippines and I love being retired here because it is so laid back and slow pace.





The [...]

[What Women Expect from their Gifts](#)

March 15th, 2010



To quote Freud "The great question" which I have not been able to answer; is, what does a woman want? This eminent psychologist must have served this statement part in awe as in jest as tribute to the very fascinating mysteries of women that men are cursed with to never truly find the answer to.

Fortunately [...]

[I invested my money here: ALFM PESO BOND FUND and BPI EQUITY FUNDS. GOOD OR BAD?](#)

March 15th, 2010

For ALFM PESO BOND FUND, I INVESTED 1000+ USD in Philippine currency same with BPI EQUITY FUNDS. Can anyone explain to me if it is performing good based on the site:

For ALFM: <http://www.alfm.com.ph/peso/>

ALFM PERFORMANCE REPORT: http://www.alfm.com.ph/peso/pdf/ALFMPeso_MFPRNov07.pdf

For BPI EQUITY FUNDS:

<http://info.bpiexpressonline.com/bpiprod/prodserv.nsf/AMTG+Pages/AMTGEquityFund?OpenDocument>

Please do explain to me. I am 17 and I will add around 6000+ USD [...]
